## From the Principal

### School overview

Norman Park State School is a co-educational, independent public school school from Prep to Year 6 which provides a safe and caring environment to support high quality learning to occur. The curriculum program covers the Australian Curriculum - English, Mathematics, Science, History, Geography and Key Learning Areas -The Arts, Studies of Society and the Environment, Technology, Health and Physical Education, and Languages Other Than English (French). A strong feature of the school is the Music Program which is supported by an extensive choral and instrumental music program and includes inter-school competitions, productions and school ensemble music concerts. A highlight of our Arts program is our Norman Park State School Musical and participation in Wakakirri; a Storydance.

Our Pedagogical Framework for planning, teaching and assessment is based on current educational research models that underpin pedagogical practices. The four key focus areas of the framework are; John Fleming's Explicit Teaching, Harvard University's Culture of Thinking, Griffith University's Proportional Reasoning and the School-Wide Positive Behaviour Support framework. The strategic direction of the school is supported our School Council.

Curricular and extra-curricular activities at Norman Park State School include: Year 3, 4, 5, and 6 Outdoor Educational camps where students have the opportunity to engage with over-night stays developing into a week-long social experience in Years 6; Robotics Club, Chess Club, Active After School Communities program, Science Master Classes linked with our local secondary school and International Competitions and Assessments for Schools (ICAS).

The school provides a safe, tolerant and disciplined learning environment evidenced by the successful implementation of the Responsible Behaviour Management Plan and Social Skills Program. Our pastoral care program includes Peer Support, Leadership Development; School, Cultural, Sports and Library Captains and a Chaplaincy Program. There is strong community support for Norman Park State School. Working in the Parents' and Citizens' Association is the Swim Club, Tuckshop, Uniform Shop, Music Support and a Parent Network, The P&C Association and the school are supported by Class Parent Coordinators who liaise with school community members.

Norman Park State School students demonstrate high levels of achievement in school-based and NAPLAN testing. These results are driven by our school plans which are reviewed each year. We strive to provide a balanced education and a broad range of relevant and engaging learning experiences, challenging our students to discover their unique potential and individual strengths; as per our school vision 'Reaching our Potential - Aspiring for Personal best' and as our motto continues to inspire us 'Onwards and Upwards'.

## Characteristics of the student body

### Student enrolments

Table 1: Student enrolments at this school

Enrolment category	2017	2018	2019
Total	457	457	463
Girls	230	238	240
Boys	227	219	223
Indigenous	11	13	8
Enrolment continuity (Feb. – Nov.)	96%	94%	96%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

### Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2017	2018	2019
Prep – Year 3	23	22	24
Year 4 – Year 6	25	27	25
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

## Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

### Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

### How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

## Social climate

### Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

## Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

## Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

## School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	4	3	3
Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	1
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

## Environmental footprint

### Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	182,008	177,805	193,934
Water (kL)	1,529		946

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool\* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

\*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

#### Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

## Professional development

### Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.
